**The student must fully answer each question in this section.**

Why are you interested in applying to the O<sub>2</sub> program?

---

---

---

---

What issues or obstacles are creating difficulties for you in your present school setting? Please describe any issues or obstacles that may also be creating difficulties for you outside of school.

---

---

---

What subjects in school appeal to you most? Why?

---

---

What subjects are you most successful in?

---

---

What subjects in school do you not enjoy? Why?

---

---

What subjects in school do you find difficult? Why?

---

---

How would you describe the effort that you put into your school work?

Place a check mark inside the box that best describes your efforts.

I always give my best effort

I only give my best effort on certain occasions

I seldom give a good effort to my courses

Describe a situation where you really tried to do your best (whether you felt successful or not so successful!).

---

---

---

---

---

---

Make a general statement about your learning style. How would you say that you learn best?

---

---

---

Place a check mark beside all responses that describe how you learn well.

Reading

Listening

Practicing and performing

Observing (watching)

Memorizing

Creating

Interacting (hands on)

Using technology

Experiencing (work placement)

Writing

Working in teams/ groups

Working alone

Have you repeated any grades in school?

Yes

No

If yes, which grade(s)? \_\_\_\_\_

What caused you to repeat a grade?

---

---

What are your hobbies and interests outside of school?

---

---

What extra-curricular activities are you involved in or would you like to become involved in?

---

---

---

How do you spend your free time?

---

---

---

Do you consider yourself to be a responsible person? Yes  No

How have you demonstrated this? Explain:

---

---

---

---

Are you a punctual person (on time)? Yes  No

How have you demonstrated this? Explain:

---

---

---

---

What are your educational goals?

---

---

---

---

What are your long-term career goals?

---

---

---

---

Are you presently working part-time? Yes  No

If so, where? \_\_\_\_\_

What types of responsibilities do you have in this job?

---

---

---

---

Are you willing to make a commitment to keeping excellent attendance, working hard, and following O<sub>2</sub> program expectations? This includes participation in **all** components of the program including academics, school trips, work placements and other related activities.

Yes

No

**This section is to be completed by parents/guardians:**

What are your goals for your child?

---

---

---

How do you think this program can better meet your child's learning needs and help improve his/her school achievements?

---

---

---

What expectations do you have of this program?

---

---

---

The O<sub>2</sub> program requires the involvement of families, students, school, and community working in partnership so that students graduate and continue to further their education or follow employment opportunities. This will include a community-based learning component. The school will require your full support for your student to achieve program goals. How do you see yourself in a supporting role for your son or daughter?

---

---

---

The process for admission to the Options and Opportunities Program:

1. Student and parents/guardians complete the application.
2. Student attends an interview session.
3. Letter of acceptance sent in May.
4. O2 family meeting to review O2 Program Commitment - June
